

DATA ANALYSIS REVIEW

Greater Manchester
Chamber of Commerce

POWERED BY  **AMPIOS**
BUILDING VALUABLE BUSINESSES

Information is power – but only if you use it

Data is information: if you know what you have and how it can be analysed, you end up informed. Informed decisions make better, more profitable businesses.

Let our experts review:

- The data you have;
- Where it's stored;
- How you're using it (or not);
- Untapped potential in your business

You'll receive a written report and a feedback session showing how you can unlock the power of data to:

- Predict trends
- Discover opportunities
- Understand risk
- Optimise costs
- Market effectively
- Improve processes

Time commitment: 1 day plus feedback session

Investment: £1,500 plus Vat (Member) - £1,750 plus Vat (Non-Member)

Unlock the data potential of your business by contacting GM Chamber, today!
