

IT & DIGITAL REVIEW

Greater Manchester
Chamber of Commerce

POWERED BY  **AMPIOS**
BUILDING VALUABLE BUSINESSES

Digital efficiency to maximise profitability

In a digital world, linking the right technologies seamlessly together produces significant efficiency gains, while controlling cost.

Let our experts review:

- Technology suitability;
- Current spend;
- Service level;
- Current commercial model;
- Future plans

You'll receive a written report and a feedback session showing how you can maximise your digital presence to:

- Increase performance;
- Identify savings opportunities;
- Improve reporting;
- Support future plans;
- Control risk

Time commitment: 1 day plus feedback session

Investment: £1,500 plus Vat (Member) - £1,750 plus Vat (Non-Member)

Unlock the digital potential of your business by contacting GM Chamber, today!
